

Congratulations nominees

Noah Ferguson x 2

Noah has been great. He takes everything in his stride, he is kind compassionate and caring whilst ensuring the people we support are safe and get the most out of every day that they attend.

Noah Ferguson has excelled and grown as a support worker during his time as a trainee. He goes above and beyond when supporting the people at the L&L, he is caring passionate and a born support worker. It is a pleasure to have him as part of the team at Bowen hills.

Darryl Tickle

Darryl Tickle has shown exceptional dedication and commitment as a host employer, investing invaluable time in mentoring Brandon. Through Darryl's guidance, Brandon has developed into an outstanding 4th year carpentry apprentice, embodying the skills, work ethic, and professionalism instilled by Darryl. The qualities Brandon possesses today are a direct result of Darryl's unwavering effort, patience, and passion for shaping the next generation of skilled tradespeople.

Matthew Romeo

Matthew has demonstrated exceptional dedication to his training, consistently exceeding expectations and progressing ahead of schedule. His journey from where he began to where he stands now highlights his determination and growth. Matthew has become a reliable and valued member of the team, setting a high standard for others.

Haydan Girgenti

Woodfield Engineering made a recognition post on their socials for Haydan thanking him for coming over for a rotation. Stated that they were super impressed with his work ethic and positivity. They were sad for him to return back to QSL. Haydan has made some wicked looking fabrication pieces which I have shared with Annalise over time. He really deserves to be recognised for his dedication to his trade.

Richard Roberts

Richard is always helping out the lotteries team, even when it's not his job to. He always goes out of his way to solve any problems we may have and is an absolute delight when he shows up unexpectedly just for a chat {or to steal our snacks} Richard is such a hard worker and deserves so much credit for all his efforts :)

Iuliia Bulavko

I would like to nominate Iuliia Bulavko for this award. Iuliia is currently a trainee working within the ICT Service Desk at Endeavour Foundation. Iuliia has displayed an immense amount of passion and hard work during her time with us. She has now become confident enough that she is now training the new trainee! Iuliia has almost single handedly ensured our staff receive their replacement hardware and also has worked tirelessly to organise and ship out equipment for new starters. Her dedication and passion have been seen by managers and she has received multiple positive feedback stories.

Noah Woolston x 2

Noah has been a standout apprentice. Takes pride in his approach and has a work ethic that is rarely encountered.

Noah reached out to Community Solutions in January 2024 in search of a career redirection. Noah was a 2nd Year plastering apprentice, but has a passion for all things Fishing, 4x4 and Camping. Not being fulfilled in his current path Noah aced the screening and onboarding and was soon starting a new apprenticeship in Recreational Vehicle Service and Repair being hosted at Caravan Fix Kunda Park. Noah hit the ground running and shows up every day eager to learn and enthusiastic. Noah has received raving reviews from supervisors and is an asset to the company. Common themes in Noahs reviews include: "reliable", "switched on", "uses initiative", "safe". Noah has shown great skill development and has secured a strong relationship between Community Solutions and Caravan Fix. Well deserving participant here.

Blake Weidling

On behalf of Kirra Fitzell - Blake's supervisor asked for him to be nominated because he has also been a valuable apprentice to his host. Works hard, does what he is told and does not back talk. He is committed to being the best he can be.

Tate Liston

On behalf of Kirra Fitzell - Tate has been a valuable member of the PDE team, he has no cards overdue, and his percentages are looking really good. His supervisor has given a great appraisal outlining his contributions and how they are valued with his host.

Reevan Vanderwatt

Reevan is an outstanding apprentice, always 10 minutes early for his shift and the last to leave, cards are always up to date and timesheets are always in on time. He constantly helps out when needed and has been rewarded for his efforts by his host employer. Reevan is a very polite young apprentice and communicates well with everyone in the workplace as well as being well liked. No task is too much trouble and he is thirsty to learn more. He has minimal time out of the workplace. He was runner up in the recent TAFE training awards apprentice of the year. I am proud to be his field officer, and he fully deserves reward and recognition this quarter.

Vanessa Blight

I just wanted to recognise Vanessa Blight for her support for Fitzroy region, Wide Bay region and all regions as part of the PBAS and JSR taskforce. She is always putting others first and wanting to support her team well.
