Preparing for Graduation

Check your eligibility

To be eligible to graduate you must have completed all course requirements and student fees need to be up to date. If you are concerned about your eligibility you can speak to your teachers and they can advise what you need to do.

Registration

Finishing your course doesn't mean you are automatically registered to attend a graduation ceremony. If you would like to attend a ceremony, you will need to register.

What do I do if I do not know my USI and student number?

Please call 1300 308 233, student services will be able to assist you.

What if I didn't pass my studies?

If this happens and you have already registered and paid to attend you will be entitled to a full refund. You will need to make contact with TAFE Queensland at least 24 hours prior to the ceremony after this time a refund will not be possible.

If you are unsure if you are going to pass your qualification, speak to your teacher.
