

WELCOME TO YOUR

Waterfront Oasis

First Prize Package \$2.5 Million

WINNER'S STORY \$2.2M PRIZE HOME WIN DELIVERS SO MANY FIRSTS

With three grown children, Endeavour Foundation Prize Home winners, Gillian and Mark, thought the chance of owning their own home was well and truly behind them.

"We've never owned our own home before. We've never had a dishwasher. We've never had a pool. We've never had an ensuite. There's a lot of firsts in this house!" Gillian laughed.

'This house' that Gillian now calls home is a coastal oasis perched on the hill at Little Mountain, on the southern end of Queensland's Sunshine Coast.

"We've never been able to afford to buy our own home. When we first got married, I fell pregnant with twins. Then eighteen months later we had another one. So, there was never an opportunity for us to get that deposit together," she said.

As it turns out, Gillian and Mark didn't need that deposit and are now living in their very own \$2.2 million property, mortgage-free.

"We moved in the day we got the keys," Gillian laughed.

"We brought up three kids and four grandchildren in a three-bedroom house with one bathroom."

The couple are delighted with their new address, they plan to call it home for the foreseeable future.

Gillian has seen firsthand how Endeavour Foundation's services can help people with disability.

"I used to work at the cricket centre

in Maroochydore.

"They were mostly young adults, and I helped teach them to play cricket.

"We saw how Endeavour Foundation helped people with disability to gain skills to go out and live their own lives and be independent," she said.

"And it was after that we started supporting Endeavour Foundation."

Fast forward a few decades and Gillian and Mark still support Endeavour Foundation by buying lottery tickets.

It's all for a good cause and Gillian says, winning is "just the icing on the cake."

Every ticket you purchase with Endeavour Foundation Lotteries, you support people with disability find meaningful employment, learn life skills, live independently and be an active part of their community.

TARYN GROWS IN LEAPS AND BOUNDS THANKS TO YOUR SUPPORT

You only need to spend 10 minutes with Taryn to know she's had to overcome many challenges.

Born with a rare congenital syndrome called Goldenhar, it didn't take long for her dad, Warren, to realise that Taryn would need some specialised care, around the clock for the rest of her life.

But it wasn't until Taryn moved into one of Endeavour Foundation's Supported Independent Living homes in Pelican Waters that she really came into her own.

Taryn is non-verbal, but as Warren points out, his daughter still has plenty to say. He knew Taryn would thrive in Supported Independent Living by watching her interact with the space.

"She sat down and took her shoes off, and that's when you know that Taryn's home, that this was now home" Warren said.

"As a father, you know your child deserves independence."

Taryn's Support Worker, Ginny, has been with Endeavour Foundation for almost ten years, and has been by Taryn's side since she moved in.

Ginny knows what the right support and the right housing can do for someone like Taryn, "As a young woman, being in suitable accommodation has allowed her to grow in independence in so many ways. Taryn looks after her own room, makes her bed and washes her own clothes."

"Taryn used to be shy, but now she's comfortable enough to be her own person in a safe and nurturing environment."

"In a lot of cases the right accommodation for someone like Taryn can open doors to the community and lead to a life of independence and purpose," Ginny said.

It's with your support that Taryn is able to thrive in her own home and achieve the independence her father had dreamt for her.
