## REAL WINNERS SERIES

### ONE YEAR ON - CRAIG OUR LOTTERY #425 PRIZE HOME WINNER

Time really does seem to fly, and for Craig it still only feels like yesterday that his life was changed forever. It's fast approaching the anniversary of the call that informed Craig he was now the owner of a fully-furnished \$1.2 million four-bedroom home with a pool.

"It's basically changed everything because I've gone from renting to owning a house," says Craig. "I had divorced a couple of years ago, and never expected to be able to afford my own home. But winning this has meant it's let me be back on the same footing that I would have been if I hadn't have got divorced, with a home the kids love."

"It has changed a lot in my life."

He smiles, "At no stage would I ever have expected to win a house!"

"It's a beautiful house. Endeavour Foundation put a lot of work into it, and it was ready to go when I moved in," Craig says. "They even put some food in the fridge for me, and in the cupboard, and moved in all the furniture. They did all the hard work".

He chuckles at how the new home has so much appeal for his children. "Once you've got a swimming pool," he warns, "you can't keep your kids out of there!"
