

OUR MOTTO:

THE BEST
WE CAN BE

OUR VISION

Leading Education
Building Futures

OUR VALUES

Respect

Integrity

Diversity

OUR PURPOSE

Inspire and empower people in
our community to learn, contribute
and lead to be the best they can be.

OBJECTIVE

Value our
people, appreciate
perspective, enhance
learning, support
wellbeing and inspire
growth

Aligned and
embedded culture
of learning

A culture of wellbeing,
developing resilient,
well-rounded students
through diverse
school experiences

All students engaged
in a meaningful
pathway leading
towards success

STRATEGY

- Cultivating a workforce of people inspired to lead education
- Intentional initiatives to enhance staff wellbeing
- Investment in learning for people to grow

- Framework for Learning that enables an evidence based pedagogical approach
- Targeted professional learning
- IT as an enabler for learning and communication

- Framework for Wellbeing guided by evidence-based practices
- School spirit and identity through traditions and celebrations
- Develop effective processes for attendance monitoring and student support

- Consistency in curriculum planning, alignment, implementation, moderation and review
- Increase industry partnerships
- Diverse and individualised meaningful pathways

OUTCOMES

- Staff Wellbeing Framework embedded across all faculties
- Staff morale above like and state school averages (SOS) (>80%)
